You're my man, and I'm your woman  
Where you lead me, I will go  
I will stand strong beside you,  
No matter how hard the wind might blow  
Our love will last forever, like this diamond on my hand  
Cause I was born to be your woman, and you were  
made to be my man

You're the bread in my butter  
You're the blood that's in my veins  
You're my strength when I grow weary  
You're my shelter when it rains  
Our love will last forever, like this golden wedding  
band  
Cause you was born to be my woman, and I was made  
to be your man

We are bound by God forever  
We're part of a bigger plan  
Cause I was born to be your woman  
And I was made to be your man
