You're my man and I'm your woman
Where you lead me, I will go
I will stand strong beside you
No matter how hard the wind might blow

Our love will last forever
Like this diamond on my hand
'Cause I was born to be your woman
And you were made to be my man

You're the bread in my body
You're the blood that's in my veins
You're my strength when I grow weary
You're my shelter when it rains

Our love will last forever
Like this golden wedding band
'Cause you was born to be my woman
And I was made to be your man

We are bound by God forever
We're part of a bigger plan
'Cause I was born to be your woman
And I was made to be your man
