Cheater cheater where'd you meet her down at ernies  
bar? Did she  
smile your way twirl her hair and say, how cute your  
dimples are?  
Did she use that line 'your place or mine' while you  
danced with her  
real slow? tell me cheater cheater where'd you meet  
that no good  
white trash hoe

Liar liar did you buy her whiskey all night long?  
Did you hide your ring in the pocket of your jeans or did  
you just  
keep it on  
When the deed was done an you had your fun did you  
think i  
wouldn't know? tell me cheater cheater where'd you  
meet that no  
good white trash hoe

Now I'm not one to judge someone that I ain't never  
met  
But to lay your hands on a married man's bout as low  
as a gal can  
get  
Hey I wish her well and she rots in hell and you can tell  
her I said  
so  
Cheater cheater where'd you meet that no good white  
trash hoe  
Loser loser hope you love her cause your stuck with her  
now  
Take your sorry butt load up all your stuff and get the  
hell out of my  
house  
but I just wish you'd tell me this one thing before you  
go  
Tell me cheater cheater where'd you meet that no good  
white trash  
hoe.

Now I'm not one to judge someone that I ain't never

met

But to lay your hands on a married man's bout as low  
as a gal can

get

Hey I wish her well and she rots in hell and you can tell  
her I said

so

Cheater cheater where'd you meet that no good white  
trash hoe

Yeah I wish you tell me this one thing before you go,  
tell me

cheater, cheater where'd you meet that low down  
uptown, slept with

every guy around, pressed on eyelash, no good white  
trash hoe
