We took a trip down to the islands
And we got a little carried away
We thought we'd unwind and lost track of time
And we woke up on Christmas day
Now back home they're gathered 'round the tree
Stayin' warm by a fire light
But as I look around the sun's beatin' down
And there ain't a cloud in sight
And I thought Lord

Let it snow somewhere else
We can still sing 'Jingle Bells'
With our toes stuck in the sand
And a pair of mojitos in our hand
It's a wonderful time of year
When it's 85 and the sky is clear
So let it snow (somewhere else)
Let it snow (somewhere else)
Let it snow
Just not here

We'll string lights on a palm tree
Pretend this beach chair is a sleigh
Build a snow man out of sand
And let the waves wash him away
While back home they're going door to door
We'll go caroling bar to bar
And they can just ask Jimmy Buffett
If they wanna know where we are

Let it snow somewhere else
We can still sing 'Jingle Bells'
With our toes stuck in the sand
And a pair of mojitos in our hand
It's a wonderful time of year
When it's 85 and the sky is clear
So let it snow (somewhere else)
Let it snow (somewhere else)
Let it snow
Just not here

When the weather outside is frightful
Not, let it snow (somewhere else)
We can still sing 'Jingle Bells'
With our toes stuck in the sand
And a frozen marguerita in our hand
It's a wonderful time of year
When it's 85 and the sky is clear
So let it snow (somewhere else)
Let it snow (somewhere else)
Let it snow
Just not here

Let it snow (somewhere else)
Let it snow (somewhere else)
Let it snow
Just not here
