Baby, look at me,  
And tell me what you see  
You ain't seen the best of me yet  
Give me time  
I'll make you forget the rest

I got more than you  
That you can set it free  
I can catch the moon in my hand  
Don't you know who I am?  
Remember my name

Fame  
I wanna live forever  
I'm gonna learn how to fly  
Fame  
I feel it comin' together  
People will see me and cry  
Fame  
I'm gonna make it to heaven  
Light up the sky like a flame  
Fame  
I'm gonna live forever  
Baby remember my name

Baby, hold me tight  
'Cause you can make it right  
You can shoot me straight to the top  
Give me love and take all I got to give

Baby, I'll return  
Too much is not enough  
Why I can't ride your heart till it breaks  
Ooh, I got what it takes  
Remember my name

Fame  
I wanna live forever  
I'm gonna learn how to fly  
Fame  
I feel it comin' together

People will see me and cry  
Fame  
I'm gonna make it to heaven  
Light up the sky like a flame  
Fame  
I'm gonna live forever  
Baby remember my name

[Solo]

Remember my name

Fame  
I wanna live forever  
I'm gonna learn how to fly  
Fame  
I feel it comin' together  
People will see me and cry  
Fame  
I'm gonna make it to heaven  
Light up the sky like a flame  
Fame  
I'm gonna live forever  
Baby remember my name
