Happy times, oh!
Oh yeah!
They like the beat and I like it too!
No drinking, gotta move
Shawty what you mean, I wanna go I know, stop,
Introduce myself! Like hello, hello!

Chorus:
Happy times! Happy times!
Happy times! Happy times!
Ta ta ta ta ta ta ta!
Happy times! Happy times!
Ta ta ta ta ta ta ta!

Champagne bottles we let the pop, pop,
These happy times every time that my record drop
I got that brand new shit that you never heard,
I got that futuristic sound
Let's, let's swag it out!
Let's, let's turn the party out!
Yo DJ turn my music,
I got that futuristic flow,
If you ain't know me, now you know!
They play this on the radio!

Chorus:
Happy times! Happy times!
Happy times! Happy times!
Ta ta ta ta ta ta ta!
Happy times! Happy times!
Ta ta ta ta ta ta ta!

The after party is at my spot, spot
It's getting cool what you know is I keep it hot, hot
It's happy times everywhere,
... and making it moan!
Let's, let's swag it out!
Let's, let's turn the party out!
Yo DJ turn my music,
I got that futuristic flow,
If you ain't know me, now you know!
They play this on the radio!

Chorus:

Happy times! Happy times!

Happy times! Happy times!

Ta ta ta ta ta ta!

Happy times! Happy times!

Ta ta ta ta ta ta!

Happy times! Happy times!

Happy times! Happy times!

Happy times! Happy times!
