V 1:

I never saw the warning signs,
I never knew you had that side,
I trusted you with my life,
All our days as man and wife,

B :

I loved,
I gave you,
All my love,
Yeah, All my heart,
Well its over now,
And i cant believe

C:

The man of my dreams,
Wouldn't do this to me
He'd never brake my heart,
Tear my world apart,
No, he'd never leave,
The man of my dreams,
Couldn't do this to me,
He'd never say good bye,
Never make me cry,
Not the man of my dreams

V 2:

I remember every thing you said,
It keeps going over in my head,
Said you loved me
But your feelings changed,
never thought we'd end up this way

Repeat B: & C:
