Verse 1

You've got your Texas way of walking
You've got your sexy way of talking
I let you get all under my skin
But now your welcome has worn thin
So next time you go, don't come back again

(Chorus)

Cause your train don't stop here anymore
I aint your gas up rest stop, swinging door
You can't just walk in walk out, like so many times
before..
Well I aint your swinging door

Verse 2

You've got a girl in every cow town
And you think I don't know how you get around
I let you sweet talk, get my guard down
Took me a while to figure you out
But ive got you figured all out now

(Chorus)

Cause your train don't stop here anymore

I aint your gas up rest stop swinging door
You can't just walk in walk out, like so many times
before..
I aint your swinging door
I aint your swinging door
Oh no..

You best make up your mind
Cause if you go you aint coming back this time..

Your train don't stop here anymore
I aint your quick stop ,walk up, open 24
You can't just drop in drop out, treat me like your candy
store,

Cause your train don't stop here anymore
I aint your gas up rest stop, swinging door
You can't just walk in ,walk out, like so many times

before
I aint your swinging door (Fade to the end)
