Baby (baby)  
You're driving me crazy  
(Right out of my head)

I say, baby (baby)  
You're driving me crazy  
(Yeah, yeah, yeah)

You got a brand new  
Lover for yourself  
You went and put your  
Number one lover on the shelf

Baby (baby)  
You're driving me crazy  
Whoa, whoa, whoa, whoa

I said, lover (lover)  
There isn't any other  
No, no, no, no

I said, lover (lover)  
There is no other  
(Yeah, yeah, yeah)

Get ahold of yourself  
Gonna lose control  
Gonna find you had a lover  
With lots of soul

Say, baby (baby)  
You're driving me crazy

You got a whole lotta  
Fellas out on the street  
Smile on your face for  
Every fella you meet

Lips of a-wine  
I say you're so fine  
You're bout to make me  
Lose my mind

I said, baby, yeah  
You're driving me crazy  
Whoa, whoa, whoa, whoa

I say, baby (baby)  
You're driving me crazy  
(Yeah, yeah, yeah)

You got a brand new  
Lover for yourself  
You went and put your  
Number one lover on the shelf

I say, baby, yeah  
You're driving me crazy

Yeah, I'm out of my mind  
You got to be there  
You know I've lost control  
You got to be there

You got to be there  
Yeah, I've lost my mind...
