You know you  
Make me wanna (shout)

Come on now (shout)  
Come on now (shout)  
Come on now (shout)  
Come on now (shout)

Alright (shout)  
Alright (shout)  
Alright (shout)  
Alright (shout)

Come on and shout now (shout)  
Hear me shout now (shout)  
Gonna shout now (shout)  
Hear me shout now (shout)

---- Clapping Interlude ----

I still remember  
When you used to be nine years old  
Hey, hey

I was a fool for you  
From the bottom of my soul  
Hey, hey

Now that she's older  
You're old enough to know  
Hey, hey

You want to leave  
You want to let me go  
Hey, hey

I want you to know  
Girl, I want you to know right now  
You've been good to me, baby  
Better than I've been to myself, hey, hey

And if you ever leave me

I don't want nobody else  
Hey, hey  
I said I want you to know  
Girl, I want you to know right now

You know you make me wanna (shout)  
Come on now (shout)  
Come on now (shout)  
Come on now (shout)  
Come on now (shout)

Come on now (shout)  
Feel alright now (shout)  
Come on now (shout)  
All us shout now (shout)  
Come on now (shout)  
Come on now (shout)  
Hear me shout (shout)  
Hear me shout now (shout)  
Come on and shout  
Hear me shout now (shout)
