What kind of love is this that
Makes me wanna jump and shout
I wanna know what kind of
Love is this that turns
My heart inside out

It's that itchy twitchy
Feeling that I have inside
Something overwhelming that
I just can't hide

I wanna know, whoa, yeah
Whoa, tell me
What kind of love is this
What kind of love is this

What kind of love is this
That haunts me every day
I wanna know what kind of
Love is this that makes
Me say the things I say

Well, I'm walking
Around and grinning
With my head in the air
The people think I'm crazy
But I just don't care

I wanna know, whoa, yeah
Whoa, tell me
What kind of love is this
What kind of love is this

Well, I feel like
A man in outer space
I'm acting like
A psycho case

Hey, girl
Stop this feeling
Look at me, you've got
Me rocking and a-reeling

Yeah, what kind of love is this
Aw, that shakes me up so bad
I wanna know what kind
Of love is this, yeah
My situation is sad

Well, I just
Can't understand it
It just ain't real
I know no one has ever
Felt the way I feel

I wanna know, whoa, yeah
Whoa, tell me
What kind of love is this
What kind of love is this

What kind of love is this
What kind of love is this
What kind of love is this
