"do do do do dood, do do do ,do do
do do do do dood, always coca-cola (2x)

Wherever there's a pool there's always a flirt
whenever there's school, there'll always be homework
wherever there's a beat, there's always a drum
whenever there's fun there's always coca-cola... yeah.

chorus

The stars will always shine, the birds will always sing
As long as there is thirst, there's always the real thing

Coca-cola is always the one
Whenever there is fun, there's always coca-cola

do do do do dood, do do do ,do do (coca-cola)
do do do do dood, always coca-cola (ooh, ooh, ooh)

do do do do dood, do do do ,do do (doo dood do do
doooh)
do do do do dood, always coca-cola (hey eh)

let the sun shine, let it shine.
always, always... coca-cola
oh always.
