#### Strophe 1:

I wanna know why lovers turn away from love  
I wanna know, baby why you had to go  
Oh why? You let my heart break,  
Now it's too late there's nothing else to say  
I'm telling you goodbye

#### Refrain:

7 days, 7 nights, 7 years that you're by my side  
1000 stars shine along our way  
My love please stay

#### Rap 1:

Hey girl, come on  
This is not the right time  
You gotta keep going on  
Believe and try  
To be confident  
Why don't you give him a smile  
Your love - so strong  
It's only misunderstanding  
You're only hanging on the phone  
He only loves you let your love shine

#### Refrain:

7 days, 7 nights, 7 years that you're by my side  
Endless times you have touched my heart  
It's tearing me apart  
7 days, 7 nights  
7 years that you're hold me tight  
1000 stars shine along our way  
My love please stay

#### Rap 2:

More time - you need more time  
Remember the days - when everything went fine  
Him and you - close to each other  
The friendship crew - and you became lovers  
Hey listen - you want him back?  
Start to fight for love - and stop to attack  
And I promise - when you're patient, you spend

7 days and nights in love my friends

Strophe 2:

I wanna know

Why memories start to fade away

I wanna know

I carry on the heavy weight

Mmh why? - My heart's just dying

Now I'm crying

I want you back for good

Please don't bring me down
