Are you ready?  
Are you ready?  
Are you ready for Captain Jack?  
Another one, another one  
Another one bites for dust  
Steve walks warily down the street,  
With his brim pulled way down low  
Ain't no sound but the sound of his feet,  
Machine guns ready to go  
Are you ready, are you ready for this  
Are you hanging on the edge of your seat  
Out of the doorway the bullets rip  
To the sound of the beat  
Another one bites the dust  
Another one bites the dust  
And another one gone, and another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust  
Baby you can put me down  
Start kickin' asses all around  
Baby you can put me up  
Baby I'm stronger than you  
As I ready for you  
How do you think I'm going to get along,  
Without you when you're gone  
You took me for everything that I had,  
And kicked me out on my own  
Are you happy, are you satisfied  
How long can you stand the heat  
Out of the doorway the bullets rip  
To the sound of the beat  
Look out!!  
-Chorus refrain-  
Baby you can put me down  
Start kickin' asses all around  
Baby you can put me up  
Baby I'm stronger than you  
As I ready for you  
Are you ready?  
Are you ready?  
Are you ready for Captain Jack?

Another one, another one  
Another one bites for dust
