Are you ready?
Are you ready?
Are you ready for Captain Jack?

Another one, another one
Another one bites for dust

Steve walks warily down the street,
With his brim pulled way down low
Ain't no sound but the sound of his feet,
Machine guns ready to go

Are you ready, are you ready for this
Are you hanging on the edge of your seat
Out of the doorway the bullets rip
To the sound of the beat

Another one bites the dust
Another one bites the dust
And another one gone, and another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust

Baby you can put me down
Start kickin' asses all around
Baby you can put me up
Baby I'm stronger than you
As I ready for you

How do you think I'm going to get along,
Without you when you're gone
You took me for everything that I had,
And kicked me out on my own

Are you happy, are you satisfied
How long can you stand the heat
Out of the doorway the bullets rip
To the sound of the beat

Look out!!

-Chorus refrain-

Baby you can put me down
Start kickin' asses all around
Baby you can put me up
Baby I'm stronger than you
As I ready for you

Are you ready?
Are you ready?
Are you ready for Captain Jack?

Another one, another one
Another one bites for dust
