Hey, this is Captain Jack!
Jack, Jack, Jack, Jack...

Hi!
Do you really follow me into the light
Drill instructor's on, drill instructor's on my side
Do you really make commands of dynamite
Love and peace is our fight
All for one, come together friends
We have to take this chance...
All for one, come together friends
We gotta take this chance tonight

Hi, hi, hi, hi, hi, hi, hi...

Forward march...
Drill instructor tell me what to do
I'm your man, I will follow only you
See us making love all through the night
That's the reason why drill instructor loves to fight

Now sound off 1-2, bring it on up 3-4
Bring it on down 1-2 3-4 1-2 3-4 1-2 3-4

Do you really follow me into the light
Drill instructor's on, drill instructor's on my side
Do you really make commands of dynamite
Love and peace is our fight
All for one, come together friends
We have to take this chance...
All for one, come together friends
We gotta take this chance tonight

Hi, hi, hi, hi, hi, hi, hi...

C/130 rolling down the strip
Airbone ladies gonna take a little trip
Jumping out of planes in the midnight hour
As soon as we land, this place is ours

Now sound off 1-2, bring it on up 3-4

Bring it on down 1-2 3-4 1-2 3-4 1-2 3-4

Do you really follow me into the light
Drill instructor's on, drill instructor's on my side
Do you really make commands of dynamite
Love and peace is our fight
All for one, come together friends
We have to take this chance...
All for one, come together friends
We gotta take this chance tonight Hi, hi, hi, hi, hi,
hi...
