With no complications
I am an inspiration
To the whole generation

Party, throw your hands up
Party, throw your hands up
Party, throw your hands up
Get 'em up high
Party, throw your hands up
Party, throw your hands up
Party, throw your hands up
Get 'em up high
(My generation)

It's my generation
Feel the rhythm of the nation
Take my hand
To understand

It's my generation
Feel the rhythm of the nation
Take my hand
To understand

It's my, it's my generation
It's my sweet temptation
Let me free your soul
It's my, it's my generation
It's my sweet temptation
Let me free your soul

(My generation - it's my generation)
(My generation - it's my generation)
