So where's the party at? X 2
Cha cha, people like to tango, come on and party now
Mambo, cha cha, tango, cucaracha
Some people like to mambo, some people like to cha
cha
Some people like to tango, or sing la cucaracha
Some people like to party, some people like to strip
Some people like it , , some people like it cheap

Some people like to mambo, some people like to cha
cha
Some people like to tango, or sing la cucaracha
Some people like to party, some people like to strip
Some people like it , , some people like it cheap
Come on and party now

Some people like to party when other people want go to
sleep
And other people like to go all naughty whenever we go
party in my dreams

So where's the party at? X 2

We party hard, we part hard, hard
When I say party, you say hard, hard hard X 2

Some people like to party when other people want go to
sleep
And other people like to go all naughty whenever we go
party in my dreams.
