I see all good people grooving together  
Making harmony rain  
All good people, grooving together  
It's such a beautiful thing

Come on, baby  
Love, let's take a walk  
Let's go strolling down in Cypress Park  
We start to kiss but then you run away  
There's nothing better than a summer day

Music moving through the air  
Laughter everywhere  
Children having fun  
Lovers softly speak  
Swaying to the beat  
Soaking up the red sun

I see all good people, grooving together  
Making harmony rain  
All good people, grooving together  
Doing different things

Hang around until it's after dark  
We'll be making love in Cypress Park  
You stop to kiss but now you hold on tight  
There's nothing better than a summer night

Lovers lying under stars, in the back of cars  
Turn up the radio  
Everyone is tight, no one's gonna fight  
Baby, love is in control

I see all good people, grooving together  
Making harmony rain  
All good people, grooving together  
It's such a beautiful thing

Music moving through the air  
Laughter everywhere  
Children having fun

Lovers softly speak  
Swaying to the beat  
Soaking up the red sun

I see all good people grooving together  
Making harmony rain  
I see all good people grooving together  
It's such a beautiful thing  
I see all good people grooving together  
Making harmony rain  
I see all good people grooving together  
It's such a beautiful thing  
I see all good people grooving together  
Making harmony rain...
