I just got out of a bad situation
I was mistreated and I fell from grace
The last thing I needed was a new infatuation
And I succeeded 'til I saw your face
My mind was saying run as best as you can
Don't forget that you have been here before
My heart was working on an alternate plan
Pushing me in, instead of out the door...

I didn't wanna fall in love tonight
I didn't mean to get myself in so tight
Wouldn't be doing this with anyone else
But with you baby, I can't help myself
I can't help it... ooh... I can't help it... ooh....
Here we go...

Overpowered, just couldn't resist you
And I needed to let you know
Your love took over the moment I kissed you
You started something burnin' in my soul

My mind was tellin' me, "Be careful this time..."
"Don't go jumping in the fire again."
But my heart was overriding my mind
Pulling me in, I cannot pretend

Yeah baby...
I didn't wanna fall in love tonight
I didn't mean to get myself in so tight
Wouldn't be doing this with anyone else
But with you baby, I can't help myself
I can't help it

Didn't wanna fall in love tonight
I didn't mean to get myself in so tight
Wouldn't be doing this with anyone else
But with you baby, I can't help myself
I can't help it...

Ooh...
I wasn't looking for a new affair

Ooh...
But I can't stop it now, 'cause I am halfway there...

Oh baby... I can't help it...
Oh baby... I can't, I can't help it...
Here we go...
I can't help it...

I didn't wanna fall in love (fall in love)
Oh, baby...
I know I oughta take it step by step, yeah child
But I can't help myself...
I didn't wanna fall in love tonight
I didn't mean to get myself in so tight
Wouldn't be doing this with anyone else
But with you, baby, I can't help myself
I can't help it

Didn't wanna fall in love tonight
I didn't mean to get myself in so tight
Wouldn't be doing this with anyone else
But with you, baby, I can't help myself
I can't help it...

Didn't wanna fall in love tonight
I didn't mean to get myself in so tight
Wouldn't be doing this with anyone else
But with you, baby, I can't help myself
I can't help it...
Didn't wanna fall in love tonight...
