You're only wasting good time on a dream
Oh, oh dreamer...
I love my girl and my girl, she loves me... whoa yeah

Oh yeah, find yourself another running ground, huh,
around the block
Your imagination's got it all turned around
She's solid as a rock
She's my girl, my girl
Do something you can do, oh yeah...
My girl, my girl
You better keep your hands on you

You're building paper castles in the air
My girl never heard anything that you said
Whoa yeah, yeah...
You're looking just a little bit confused, huh, here's the
twist...
That girl never had a thought for you, exit

She's my girl, my girl
Do somethin' you can do, oh yeah
My girl, my girl
You better keep your hands on you

She's so fine, she's all mine
She's so true, she won't even notice you

Find yourself another running ground, huh, around the
block
Your imagination's got it all turned around
She's solid as a rock
She's my girl, my girl
Do something you can do (do something you can do)
Oh yeah
My girl, my girl
You better keep your hands on you

RAP:

You better keep your hands on you
She's my girl you know I'm sayin'

All I gotta do is get around the block
Tell all the fellas that she's my girl, ha
She's like a hot rod, she's like a hot rod, she's like a hot
rod...

She's my girl, baby
She's my girl, baby
She's my girl
She's my girl, baby
She's my girl, baby
She's my girl
She's my girl, baby
She's my girl, you know I'm sayin'
All I gotta do is get around the block
Tell all the fellas that she's my girl, ha...
She's my girl...
