Why is my baby blue  
Can't see the colors  
Of a sunny day  
Stuck in that point of view  
What can I do to take your tears away

I'm not denying  
There's a time for crying  
Just tell me why you look so sad tonight  
I know its crazy  
Living in a world these days but  
If you take me by the hand

Oh oh oh  
There's nothing my love can't fix  
For you baby  
I'm positive of this  
I tell you  
Oh oh oh  
There's nothing my love cant fix  
For you baby

Aw girl  
Please look in my caring eyes

I'll take you up so high  
You'll start forgetting  
You were ever down  
Kisses will dry your eyes  
This is the way to  
Turn your world around

We all get lonely  
But if you just hold me  
We both can go beyond the stars tonight  
Oh, once you have it  
Love works like magic  
Just open  
Open up your heart

Oh oh oh  
Theres nothing my love can't fix

For you baby  
I'm positive of this  
I'll tell you  
There's nothing my love can't fix  
For you baby

Love is the glue that binds us  
When we get lost it finds us  
You'll lose your blues soon  
Cuz baby my love is true

Break it

1 2 3  
Oh, once you have it  
Love works like magic  
Just open up your heart

Oh oh oh  
There's nothin my love cant fix  
For you baby  
I'm positive of this  
I'll tell you  
Oh oh oh  
Theres nothing my love cant fix  
For you baby

Oh oh oh  
There's nothin my love cant fix  
For you baby  
I'm positive of this  
I'll tell you  
Oh oh oh  
Theres nothing my love cant fix  
For you baby

Aw you know its true  
All I gotta say is  
Baby baby  
I love you in every way  
Cuz lady  
Ya gotta get away with me  
Ya gotta get away with me today  
Cuz our love has got to shine through  
And baby you got to see it too  
That we were meant girl me and you  
But lately you been acting  
Like I smell like a zoo  
Philly zoo to be exact  
And hey Philly's my origin  
As a matter of fact

But lets get back to the subject at hand  
Baby baby baby  
Oh you is back in demand  
When I look at you girl  
My heart goes right into a whirl  
And all I gotta say about the situation

Oh oh oh yeah  
Theres nothin my love can't fix
