"Please Don't Go Girl"

Spoken
We've been together for a long time, baby
Do you have to leave?

Please don't go girl (just can't live without you)
Please don't go girl (don't go girl)

Please don't go girl
You will ruin my whole world
Tell me you'll stay
Never ever go away

I love you (I love you)
I guess I always will
Girl
You're my best friend
Girl
You're my life within
I just want you to know
That I will always love you
Ooh Baby

Tell me you'll stay
Never ever go away

I need you (I need you)
I guess I always will
Girl
You're my best friend
Girl
You're my life within
I just want you to know
That I will always love you
Ooh Baby
