And here we go with verse one, J-Dee

"Civilize a 85er" -> Grand Puba

[Verse One]

Buck the devil, buck the devil, buck the devil BOOM  
Give the nigga, give the nigga, give the nigga ROOM  
Must be a full moon, here comes a tune  
Bullets fly by your head zoom zoom zoom  
(A to the K to the 4 to the 7  
Little devils don't go to heaven!  
Last night I shot eleven at the record shop  
Most of 'em dropped when my 9 went pop!)  
Damn; see the fuckin cop with the flat-top  
standin over niggaz face down on the blacktop  
That shit's gotta stop, so I kick the hip-hop  
Pop that devil in his ass and make him flip-flop  
Flip-flop flip-flop back when I talk back  
Now his name is Stucky Mack, tryin to fuck a black  
In fact I got the 411, so you can buy a gun  
Lench Mob's got the devil on the run, down with King  
Sun  
(And we bring fun to all ages  
Short Dog got the motherfuckin gauges  
Shootin through yellow pages  
That's why whitey wanna catch us in cages)  
But no no no I don't think so  
Shorty joined the nation, and he don't drink no mo'  
Show 'em how to eat the lip, and how to beat the shit  
out of a devil see a brother he's agreed to give

asalaam alaikum, shake 'em, and whitey can't fake 'em  
And if they try F.O.I. will break 'em  
(Wu-alaikum salaam and I'm (??))  
(Ice Cube drop the motherfuckin bomb!) There it is yo..

"Lench Mob.."

"Down with Farrakhan.." -> Chuck D

"Gotta let 'em know the devil's a conniver" -> Puba  
(repeat all 2X)

[Verse Two]

The devil hates, the devil hates, the devil hates my skin  
because I'm original, so please tell a friend (yo)  
But who will win in the end?  
That's whitey's in the (??) tryin to blend with the black  
men  
(But we'll check the blue eyes, contacts ain't wise  
cause different color eyes get chastized)  
So can I get a witness, work on your fitness  
and be sure to put the devil on your shitlist  
Y'all can't miss this, a brand new LP  
from the L-E-N-C-H M-O-B  
(No I'm not your Toby, just like you told me  
Just found out I'm the O.G.)  
(Never caught the holy ghost, sorta like you do)  
Just like X-Clan relyin on my voodoo  
(Who you?) (One flew) (over the cuckoo nest)  
Now I guess that you think you're blessed  
(Get that fuckin cross off your chest  
+Can I Kick It+ like A Tribe Called Quest?) YES!  
The devil hates, the devil hates, the devil hates my  
crew  
So let the nigga, let the nigga, let the nigga through  
But fuck you too and your red white and blue  
Motherfucker you through -- so act like you knew  
(Shoot you with my twenty-two!) I got plenty crew  
(I take out white boys that's scary) (BOO!)  
Yeah I'm the nigga that said it  
And I'm sorry that I can't regret it  
but it's a proven fact that Jack is anti-black  
SO HERE'S YOUR FUCKIN PAYBACK  
(I'm with the..)

"Lench Mob.."

"Huh, buck the devil" -> Ice Cube

"Gotta let 'em know the devil's a conniver" -> Puba

[Verse Three]

I'm comin, I'm comin, I'm comin, I'm comin  
(Bullets, hummin) Devils, runnin  
(Niggaz, gunnin) Many, done in  
(Looks, stunnin) (Now to kick the fun in!)  
BUCK THAT DEVIL -- come again black man  
BUCK THAT DEVIL -- come again black man  
BUCK THAT DEVIL, BUCK THAT DEVIL  
BUCK THAT DEVIL, FUCK THAT DEVIL!  
Armageddeon is a confrontation  
that's the information comin from the Nation  
So whatcha gonna do with your crew or your boys  
will you just sellout, or bring the noise?  
(Keep your boys cause we got big toys  
with the one mile scope, takin whitey's throat)  
(Why, cause he made me ride a boat?)  
A lot of us died at float, and you can quote  
from the L.M., run run run run run and tell them  
with they devilish ways and they pale skin  
(that the motherfuckers'll never win!)  
(YEAHHHHH, AND IT'S LIKE THAT!) HAHAAHAHA!
