Do you remember how we'd hold each other tight?
It was all I had to get me through the night.
Can't believe that you are gone,
Everything right it all went wrong.

Do you remember how we kissed?
You said you'd never felt like this.
I guess I thought it'd never end,
You know that you were my best friend

I cried,
And I don't care who knows it
I cried.
I ain't too proud to show it
I cried
When you said goodbye.
Oooh baby, I cried

I wonder if you ever think of me,
Or am I just another distant memory.
And after all that we've been through
It's just so hard to give up on you.

I cried,
And I don't care who knows it
I cried.
I ain't too proud to show it
I cried
When you said goodbye.
I cried.
And I don't care who knows it
I cried.
And I ain't too proud to show it
I cried
When you said goodbye.
When you said goodbye.
I cried.
I cried, when you said,
When you said,
When you said
Goodbye

Oooh baby, I cried
