"I Love You Came Too Late"

Baby listen to me
If I had the chance
I'd say the words
(Come on)

The bluest of blue
That's what your eyes are
That's what I am today
And if I had it all to do
All over again
I wouldn't have waited so long to say

I can't live without you (Live without you)
Don't want nobody else (Nobody else)
Baby listen very closely
I love you

I couldn't lie
She couldn't wait (But wait)
I love you came too late
I'd give my life for yesterday
I love you came too late

I should've seen the signs
Paid more attention
But I pushed your love away (Pushed your love away)
So she found someone to give her what she needed
(Somebody else)
Somebody else not afraid to say (Not afraid to say)

I can't live without you (Live without you)
Don't want nobody else (Nobody else)
Baby listen very closely
I love you

I couldn't lie (I couldn't lie)
She couldn't wait (She couldn't wait for me)
I love you came too late (I love you came too late)
I'd give my life (I'd give my life)
For yesterday (For yesterday)

I love you came too late (I love you came too late)

I can't live without you (Live without you)
Don't want nobody else (Nobody else)
My heart is in my head
I took a good look at myself
If I had another chance
I'd shout it out to the world (I swear I would)
I love you (uh uh yeah yeah)

I couldn't lie (I couldn't lie)
She couldn't wait (She couldn't wait for me)
I love you came too late (She wouldn't wait for me)
I'd give my life for yesterday (I'd give my life for
yesterday)
I love you came too late (I love you came too late)

I couldn't lie (I couldn't lie)
She couldn't wait (She couldn't wait)
I love you came too late (Please, don't say it's too late)
I'd give my life (I'd give my life for you)
For yesterday (For yesterday)
I love you came too late (I love you came too late)

I couldn't lie (I couldn't lie)
She couldn't wait (She couldn't wait for me)
I love you came too late
I'd give my life for yesterday
I love you came too late
