Sometimes I can do no wrong
Then one sudden turn and I'm barely hangin' on
When tension's ridin' high. I play the clown
That comes rushin' in when our hearts are down

Chorus

This love's a whole lot like a rodeo
Round and round and up and down we go
Some days it's a battle just to stay up in the saddle
When everyone around is lettin' go
We could say goodbye, but then you know
We've always loved the rodeo

Sometimes we end up gettin' hurt
We have to dust ourselves off in the dirt
But it's worth every fall we ever take
Cause now and then we get a ride that's great

Chorus 2

This love's a whole lot like a rodeo
Round and round and up and down we go
Some days it's a battle just to stay up in the saddle
When everyone around is lettin' go
We could say goodbye, but then you know
We've always loved the rodeo

Chorus 3

This love's a whole lot like a rodeo
Round and round and up and down we go
Some days it's a battle just to stay up in the saddle
When everyone around is lettin' go
We could say goodbye, but then you know
We've always loved the rodeo

With all that we've been through, together me and you
You think we'd learn to take the easy road
We could tame our hearts but then you know
We've always loved the rodeo

I've always loved the rodeo
