Ohhhh.....yeah.....
Dream if you like,
that's what my mother told me
So here I am
Well you always were my closest friend,
and I don't want that to change.
Baby listen what I gotta say,
it ain't easy, but I'll try.

Chorus: So long my eyes been sorry,
could you ever love me that way?
No need to say I'm sorry,
could you ever love me that way?
Your eyes they look so beautiful,
like they have something to say.
Well I wanna make it easy now...
can we walk, take a walk, so we can talk....baby.
I have a feeling you're holding back on me.
It's a feeling you can't deny.

CHORUS

What took you so long to say,
That you're feeling the same way?
and I want you to know it's true,
I love you.

CHORUS

Don't say you're sorry,
Just say you love me.
