Couldn't stay away  
Can you blame me, girl?  
Yeah, I couldn't stay away  
Gotta take me back

Yeah, I couldn't stay away  
Yeah, I couldn't stay away  
Couldn't stay away from your love

What was I to do? I couldn't get over you  
Thought that I could put your love on the shelf  
Get on by myself, how could I be such a fool?

Without your love is like the day is night  
And I can't figure out what's wrong or right  
I tried in vain but I couldn't stand the pain  
I couldn't stay away from your love

Couldn't stay away from your love  
Couldn't stay away from your love  
Couldn't stay away from your love  
Your love, couldn't stay away

How can I get through to you?  
What more do I have to prove?  
'Coz girl, you got me down on my knees  
I'm beggin' you please for you to take me back

Without your love is like the day is night  
And I can't figure out what's wrong or right  
I tried in vain but I couldn't stand the pain  
I couldn't stay away from your love

Couldn't stay away from your love  
Couldn't stay away from your love  
Couldn't stay away from your love  
Your love, couldn't stay away

What was I to do?  
It was your loving, your loving, baby  
I couldn't get over you

It was your loving  
It was your loving, baby

Yeah, I couldn't stay away  
Yeah, I couldn't stay away

Without your love is like the day is night  
I can't figure out what's wrong or right  
I tried in vain, yeah but I couldn't stand the pain  
I couldn't stay away from your love

Couldn't stay away from your love  
Couldn't stay away from your love  
Couldn't stay away from your love  
Your love

Couldn't stay away from your love  
Couldn't stay away from your love  
Couldn't stay away from your love  
Your love

Couldn't stay away, baby  
Couldn't stay away  
Couldn't stay away, baby  
Couldn't stay away, couldn't stay away

Couldn't stay away, baby  
Couldn't stay away  
Couldn't stay away, baby  
Couldn't stay away, couldn't stay away  
Couldn't stay away
