Can you blame me girl?
Gotta take me back!

(Verse) What was I to do
I couldn't get over you
Thought that I could put
Your love on the shelf
How could I be such a fool.
Get on by myself

The day is night
(Bridge) Without your love is like
And I can't figure out
What's wrong or right.
I tried in van
But I couldn't stand the pain.

(Chorus) I couldn't stay from your love.
Couldn't stay away from your love.
Couldn't stay away.
Girl you drive me crazy.
You know I need you, baby.
Your love, your love
Couldn't stay away.

(Verse) How can I get through to you?
what more do I have to prove?
'cause girl you got me
Down on my knees.
I'm beggin' you please
For you to take me back.

(Bridge) Without your love is like,
The day is night
And I can't figure out
What's wrong or right.
But I couldn't stand the pain.
I tried in van,

(Chorus) I couldn't stay from your love.
Couldn't stay away from your love.
Girl you drive me crazy.

You know I need you, baby.
Couldn't stay away.
Couldn't stay away.
