(VERSE1)

Baby I know  
That you and I  
Will see the next time  
Were spending are time  
Trying to find the real you and I...

(CHORUS)

So baby  
Tell me  
That I can fell your needs  
And tell me  
You wanna be close to me  
(But don't tell me that your fallen in love)

(HOOK)

Don't fall in love to quickly  
I wanna do it right...  
And if you want to be with me  
Than I'll be by your side  
Baby, don't rush love  
Cause good things go in time...  
It's gonna take a bit of effort  
But I know will be just fain

(VERSE2)

I'm taking it slow  
Just so I know  
If you're really down for me...  
Maybe it's you (maybe it's you)  
I love you been with me...

(CHORUS)

So baby  
Tell me  
That I can fell your needs  
And tell me  
You wanna be close to me  
(But don't tell me that your fallen in love)

(HOOK)

Don't fall in love to quickly  
I wanna do it right...  
And if you want to be with me  
Than I'll be by your side  
Baby, don't rush love  
Cause good things go in time...  
It's gonna take a bit of effort  
But I know will be just fine

(VERSE3)  
(Ohh oo Ohh)  
Will take it slow...  
So I can get to know you better...  
I wanna know...  
Lessons from your past  
If can reach your mind  
To get your time  
To know you better  
(Ahh aah ahh)  
And we might find...  
Fallin in love. toghether...

Don't fall in love to quickly  
I wanna do it right...  
And if you want to be with me  
Than I'll be by your side  
Baby, don't rush love  
Cause good things go in time...  
It's gonna take a bit of effort  
But I know will be just fine
