(Verse 1)

I never looked at you before (oh oh oh)
We never hung out
I Didn't know that you insistid (oh oh oh)
You didn't stand out
What did you do your hair, your shoes
Got me staring, got me feeling for you
I'm loving the sense of you're perfume
It takes me to a place that I've never been before

(Chorus)

You got me hooked on you
You're eye candy and I want you right now
You got me hooked on you
You're eye candy and I want you right now

(Verse 2)

You got the look that I adored (yes you do)
I'm digging you're sawg
I get to look but I want more (more, more, more)
How do you feel about that?
That way you act it's bad news
Got me wondering what I'm gonna do
You're style it makes me weak in the knees
It takes me to a place that I'd never been before

(Chorus)

You got me hooked on you
You're eye candy and I want you right now
You got me hooked on you
You're eye candy and I want you right now

(Hook)

Ohh yeah ey eye candy...
Ohh ow yey hey ey
You're my eye candy, eye candy
You're my eye candy, eye candy
You're my eye candy, eye candy

You got me hooked on you
You're eye candy and I want you right now
(And I'm so addicted to you)
(If you want it come and get it)
You got me hooked on you
You're eye candy and I want you right now
(And I'm so addicted to you)
(I'm so addicted to you)
You got me hooked on you
You're eye candy and I want you right now
You got me hooked on you
You're eye candy and I want you right now
(And I'm so addicted to you)
You got me hooked on you

You're my eye candy and I want you right now
Your my eye candy
