Give it up, girl, uh yeah
Give it up, girl, uh
Give it up, girl, uh yeah
Give it up, girl

Give it up, girl, uh yeah
Give it up, girl
Give it up, girl, uh yeah
Give it up, girl

Give it up, girl, uh yeah
Give it up, girl
Give it up, girl, uh yeah
Give it up, girl

Give it up
Give it up
Give it up
Give it up

Let down your guard
Give it to me, baby
It's not that hard to do
It's so easy

You are a star
You better believe, baby
Better off by far if you do

You just got to feel the way you want to feel
You know you gotta keep it real
That's the way it's gotta be you wanna roll with me
We can go on and on and on, so

Give it up
And let me love you, come on now
Give it up
I'll give it all to you, so

Give it up
And let me love you
Give it up

Yeah, baby, give it up

Ready or not
I'm gonna get you, baby
Girl, I'm so hot for you

I won't stop
Until I get what I want
And I wanna rock with you

If you put your heart and soul inside of me
And let yourself lose control
You are gonna start to see a side of me
You never thought possible, so baby

Give it up
And let me love you, come on now
Give it up
I'll give it all to you, so

Give it up
And let me love you
Give it up
Yeah, baby, give it up now

Give it up, girl, uh yeah
Give it up, girl
Give it up, girl, uh yeah
Give it up, girl

Give it up, girl, uh yeah
Give it up, girl
Give it up, girl

If you put your heart and soul inside of me
And let yourself lose control, yeah baby
You are gonna start to see a side of me
You never thought possible, so baby

Give it up
And let me love you, come on now
Give it up
I'll give it all to you, so

Give it up
I know it's right, so
Give it up

The feeling's right
And the girls are tight on the set tonight
The feeling's right

And the girls are tight on the set tonight

The feeling's right

And the girls are tight on the set tonight

The feeling's right

And the girls are tight on the set tonight

Give it up, give it up

Give it up, give it up

Give it up, give it up
