The bluest of blue
That's what her eyes are
That's what I am today
And if I had it all to do
All over again
I wouldn't of waited to say

Chorus1

I can't live without you
I don't want nobody else
Baby listen very closely
I Love you

Chorus2

I couldn't lie
She couldn't wait
I love you came too late
I'd give my life for yesterday
I love you came too late

I should of seen the signs
Paid more attention
But I pushed her love away
So if she finds someone to give her
What she needed
Somebody else not afraid to say

Chorus1

Chorus2

I can't live without you
Don't want nobody else
My heart is in my head
I took a good look at myself
If I had another chance
I'd shout it out to you
The words I Love you

Chorus2(till it fades out
