Baby listen to me  
If I have the chance  
I'd say those words  
Come on.....oooh....

The bluest of blue  
That's what her eyes are  
That's what I am today

And if I had it all to do  
All over again  
I wouldn't have waited so long  
To say...

I can't live with out you  
I don't want know body else  
Baby, listen very closely  
I love you.....

I couldn't lie  
She couldn't wait  
I love you came too late  
I'd give my life  
For yesterday  
I love you came too late

I should have seen the signs  
And payed more attention  
But I pushed your love away

So if you find someone  
To give you what you needed (somebody else)  
Somebody else not afraid to say...

I can't live with out you

I don't want no body else  
Baby, listen very closely  
I love you.....

I couldn't lie  
She couldn't wait

I love you came too late  
I'd give my life  
For yesterday  
I love you came too late

I can't live without you  
Don't want nobody else  
My heart is in my hand  
I took a good look at myself  
If I had another chance  
I'd shout it out to the world  
I love you!

I couldn't lie  
She couldn't wait  
I love you came too late  
I'd give my life  
For yesterday  
I love you came too late

I couldn't lie  
She couldn't wait  
I love you came too late  
I'd give my all  
For yesterday  
I love you came too late
