Don't you ever wish
You were someone else,
You were meant to be
The way you are exactly.

Don't you ever say
You don't like the way you are.
When you learn to love yourself,
You're better off by far

And I hope you always stay the same,
'Cause there's nothin' 'bout you
I would change

I think that you could be
Whatever you wanted to be
If you could realize,
All the dreams you have inside.

Don't be afraid
If you've got something to say,
Just open up your heart
And let it show you the way

Don't you ever wish
You were someone else,
You were meant to be
The way you are exactly

Don't you ever say
You don't like the way you are.
When you learn to love yourself,
You're better off by far

And I hope you always stay the same,
'Cause there's nothin' 'bout you
I would change

Believe in yourself.
Reach down inside.
The love you find will set you free.

Believe in yourself,
You will come alive.
Have faith in what you do.
You'll make it through.

Don't you ever wish
You were someone else,
You were meant to be
The way you are exactly

Don't you ever say
You don't like the way you are.
When you learn to love yourself,
You're better off by far

And I hope you always stay the same,
'Cause there's nothin' 'bout you
I would change
