It's a Party over here

I've been sweatin' you for such a long, long time
I'll give you everything
If I could make you mine
Girl, the time is now to
Let your feelings flow
I just got to know
If we can, we can, we can, we can Get Down

We can get down
It's for real what you feel
It's all good babe
We can get down
Now's the time, Make you mine
Like I should babe

Now don't you try to front
'Cause it's a natural feelin'
No use trying to hide it
'Cause your eyes are revealing
Don't you think it's time
That we start playin' games
I know you feel the same
So we can

Now don't you try to front
'Cause it's a natural feelin'
No use trying to hide it
'Cause your eyes are revealing
Don't you think it's time
That we start playin' games
I know you feel the same
So we can

Now don't you try to front
'Cause it's a natural feelin'
No use trying to hide it
'Cause your eyes are revealing
Don't you think it's time
That we start playin' games
I know you feel the same

So we can

We can get down
It's for real what you feel
It's all good babe
We can get down
Now's the time, Make you mine
Like I should babe

We Can Get Down

We Can Get Down

We Can Get Down

We Can Get Down

We Can Get Down

We can get down
It's for real what you feel
It's all good babe
We can get down
Now's the time, Make you mine
Like I should babe
