Verse) It happens all the time.  
All you girls are the same.  
I put my heart out on the line  
Any you just walk away.

(Bridge) What am I to do  
If I can't live with or without you?  
I'm all alone, confused

(Chorus) What am I to do  
Without your love  
What am I to say  
Without your love  
The things we used to do  
I can't get over you  
Without Your love.

(Verse) I guess I'll play the fool  
I always play the fool  
Sad but true  
I gotta learn to play the game  
I've lost  
All my pride and shame.

(Bridge) What am I to do  
If I can't live with or without you?  
I'm all alone, confused

(Chorus) What am I to do  
Without your love  
What am I to say  
Without your love  
The things we used to do  
I can't get over you  
Without Your love.

(Guitar Solo)

(Bridge) What am I to do  
If I can't live with or without you?  
I'm all alone, confused

(Chorus fadeout) What am I to do  
Without your love  
What am I to say  
Without your love  
The things we used to do  
I can't get over you  
Without Your love.
