*[Verse]*

It happens all the time.  
All you girls are the same.  
I put my heart out on the line  
Any you just walk away.

*[Bridge]*

What am I to do  
If I can't live with or without you?  
I'm all alone, confused

*[Chorus]*

What am I to do  
Without your love  
What am I to say  
Without your love  
The things we used to do

I can't get over you  
Without Your love.

*[Verse]*

I guess I'll play the fool  
I always play the fool  
Sad but true  
I gotta learn to play the game  
I've lost  
All my pride and shame.

*[Bridge]*

*[Chorus]*

*[Guitar Solo]*

*[Bridge]*

*[Chorus...out]*
