Saturday, the show was done  
I left the party, rushed out of the door 'cause i couldn't  
wait to go see her face.  
And then i saw you standing there,  
In the hall way,  
Watching you with your room-man  
Now tell me how i forget that day ..

When i gave you everything you wanted,  
Gave you everything you need  
Gave you all my love and baby thought you were the  
one for me..  
Why, oh why.. oh my god, oh my..

(CHORUS)

I caught you cheating,  
My soul is screaming  
I'll never heal again  
But im willing to forgive you.  
Because im feeling,  
That im still believing  
Cause i ain't breathing  
Without you by my side  
I'll give you one more try TONIGHT. (oohh, ohhh)

It felt like my body hit the ground- and my whole world  
came trembling down  
Oh baby baby baby  
How could you do this to me..?  
When i gave you everything you wanted,  
Gave you everything you need  
Gave you all my love and baby thought you were the  
one for me..  
Why, oh why.. oh my god, oh my, i caught you  
cheating..

I caught you cheating,  
My soul is screaming  
I'll never heal again  
But im willing to forgive you.  
Because im feeling,  
That im still believing

Cause i ain't breathing  
Without you by my side  
I'll give you one more try TONIGHT. (oohh, ohhh)

(One more try tonight..  
We can't throw this love away..  
Give it One more try )

I caught you cheating,  
My soul is screaming  
I'll never heal again  
But im willing to forgive you.  
Because im feeling,  
That im still believing  
Cause i ain't breathing  
Without you by my side  
I'll give you one more try TONIGHT.

( ohhh, ohhh, ohhhh, oohh )
