Hey now, don't you cry  
Baby let me dry your eyes  
Little miss pouty lips  
How about a smile?

I know what you need  
Girl I got the therapy  
In my bed, you'll forget  
Let me clear your mind

(Bridge)  
When you feel gone (ay)  
I'll rock your bone (oh)  
Baby I want you to know  
When you want it, you can get it  
Anytime that you like

[Chorus]  
You can have all mine (if you want it)  
And if you want it all night (you know I got it)  
Save your sorrows for tomorrow  
I'll be your lullaby

And if you got a problem (don't sweat it)  
Imma put it on you (til you forget it)  
Save your sorrows for tomorrow  
I'll be your lullaby (your lullaby)

(Verse Two)  
Don't speak, not one word  
Darlin' it is so absurd  
For two eyes so beautiful  
To ever tear at all

Girl I don't pretend  
I can't make your troubles end  
But I can take your hand  
And catch you when you fall

When you feel gone (yeah)  
I'll rock your bone (oh)  
Baby I want you to know

When you want it, you can get it  
Anytime that you like

You can have all mine (if you want it)  
And if you want it all night (you know I got it)  
Save your sorrows for tomorrow

I'll be your lullaby (your lullaby)

And if you got a problem (don't sweat it)  
Imma put it on you (til you forget it)  
Save your sorrows for tomorrow  
I'll be your lullaby

(Verse Three)

I don't have all the answers  
And I can't save the world  
But I will be a companion  
I'll stand by you girl (stand by you girl)

I'll give you love and affection  
Hold you when you cry  
So let me relieve the tension  
I'll be your lullaby

You can have all mine (if you want it)  
And if you want it all night (you know I got it)  
Save your sorrows for tomorrow  
I'll be your lullaby (your lullaby)

And if you got a problem (don't sweat it)  
Imma put it on you (til you forget it)  
Save your sorrows for tomorrow (baby)  
I'll be your lullaby

You can have all mine (if you want it)  
And if you want it all night (you know I got it)  
Save your sorrows for tomorrow  
I'll be your lullaby

And if you got a problem (don't sweat it)  
Imma put it on you (til you forget it)  
Save your sorrows for tomorrow  
I'll be your lullaby

Your lullaby

Your lullaby (yeah)

Your lullaby (yeah)

Oh yeah
