Miss Copenhageeeen,
My Miss Copenhagen,
You gooootta love her.

She's going left, she's going right,
I follow her footsteps everyday, every night,
She's going up the streets, she's going down,
I follow her around from the malls, downtown. - yeah

She strokes like a model, going down the catwalk,
Stops for nothing, attitude like a rockstar,
Catch your attention, like a fast car,
Unbelievable,
There she goes, she's smiling at everyone,
And you will smile back, cuz she's a cutie-yo,
Tryin' to get at her, but it's a no-go,
Unachievable.

She's Miss Copenhagen, and I love to have her by my
side,
Brighter than a diamond, she shines... she's mine, -
ohohoh
She's Miss Copenhagen, and I love to have her by my
side,
Brighter than a diamond, she shines... she's mine.

She's going out, and I'm going in,
I'm tryin' to find her, wanna be with her,
Goin' out of my mind,
She's going right, she's goin' wrong,
But no matter where this girl goes she's the one. -
yeah!

She strokes like a model, going down the catwalk,
Stops for nothing, attitude like a rockstar,
Catch your attention, like a fast car,
Unbelievable,
There she goes, she's smiling at everyone
And you will smile back, cuz she's a cutie-yo
Tryin' to get at her, but it's a no-go,
Unachievable.

She's Miss Copenhagen, and I love to have her by my
side,
Brighter than a diamond, she shines... she's mine, -
ohohoh
She's Miss Copenhagen, and I love to have her by my
side,
Brighter than a diamond, she shines... she's mine.

She's "oh"
I can't believe that this is real,
She's "damn"
I can't believe this,
She's "oh"
I can't believe that this is real,
She's mine, she's mine.

She's "oh"
I can't believe that this is real,
She's "damn"
I can't believe this,
She's "oh"
I can't believe that this is real,
She's mine, she's mine.

She's Miss Copenhagen, and I love to have her by my
side, (yeahyeahyeah)
Brighter than a diamond, she shines... she's mine, - oh
oh oh (shes miiine)
She's Miss Copenhagen, and I (you gotta love her!)
love to have her by my side,
Brighter than a diamond, she shines... she's mine. - oh
oh oh
