Everytime that I hit the club
Everybody's got their eyes on me
Must be something very unique
Because they can't get enough of me
And my mysterious
It's getting serious
It's getting crazy
Cause people keep gazing at me

Everybody whatcha staring for?
Ayyyy
You need to be out on the floor
Doesn't matter where I'm from or 'bout
I just come to make you scream and shout

That's Who I am (x2)

On the floor I start to dance
As the DJ plays my track
Everybody's watching
I bet you thought I couldn't move like that

And my mysterious
It's getting serious
It's getting crazy
Cause people keep gazing at me

Everybody whatcha staring for?
Ayyyy
You need to be out on the floor
Doesn't matter where I'm from or 'bout
I just come to make you scream and shout

That's who I am (x2)

Everybody whatcha staring for?
Ayyyy
You need to be out on the floor
Doesn't matter where I'm from or 'bout
I just come to make you scream and shout

Everybody whatcha staring for?

Ayyyy
You need to be out on the floor
Doesn't matter where I'm from or 'bout
I just come to make you scream and shout

That's who I am (x2)
