I wanna hear me some boogie played like I heard in
1954
I wanna hear me some boogie played like I heard in
1954
You know the way that Fats played the boogie, Whoa
You just don't hear that anymore

Yeah, I was just a little thing when I heard it on the
radio
Yeah, I was just a little thing when I heard it on the
radio
Jerry Lee and Little Richard, Whoa
You just don't hear that anymore

It was a rompin' stompin' finger poppin'
Good time music for my soul
(wo-oh-woo)
And when the drums were talkin'
And the bass went walkin'
That started it,
Whoa, Rock And Roll, Oh

I wanna hear me some boogie played like I heard in
1954
I wanna hear my Captain play some boogie now like I
heard in 1954
You know the way my Captain plays the boogie, Whoa
You just don't hear that anymore (Talk to me, Jim)

It was a rompin' stompin' finger poppin'
Good time music for my soul (wo-oh-woo)
And when the drums were talkin'
And the bass went walkin'
That started it, whoa, Rock And Roll, Oh

I wanna hear me some boogie played like I heard in
1954
I wanna hear my Captain play some boogie now like I
heard in 1954
You know the way my Captain plays the boogie, Whoa-
Oh

You just don't hear that anymore, Whoa-Oh
