Well, hello there
Good old friend of mine
You've been reaching for yourself
For such a long, long time

There's so much to say
No need to explain
Just an open door for you
To come in from the rain

It's a long road
When you're all alone
And a man like you will
Always choose the long way home

There's no right or wrong
I'm not here to blame
I just want to be the one
Who keeps you from the rain
From the rain

And it looks like sunny skies
Now that I know you're all right
Time has left us older
Wiser, I know I am

And it's good to know
My best friend
Has come home again

Cause I think of us
Like an old cliché
But it doesn't matter
Cause I love you anyway
Come in from the rain

It looks like sunny skies
Now that I know you're all right
Time has left us older
But wiser, I know I am

Cause I think of us

Like an old cliché
But it doesn't matter
Cause I love you anyway
Come in from the rain
Come in from the rain
