the night is cold  
cuddle up to me  
keep warm  
mm-mm close to me  
and dream good dreams  
of making love, to wake  
to find  
mm-mm, you're still mine

your love, your love, your love  
your love for me is so  
warm and good to me,  
growing everyday  
honey, honey  
i'm in love

i know a girl  
who's so in love, mm-mm-mm

the night is cold  
cuddle up to me  
keep warm  
mm-mm close to me  
and dream good dreams  
of making love, to wake  
to find  
mm-mm, you're still mine

your love, your love, your love  
your love for me is so  
warm and good to me,  
growing everyday  
honey, honey  
i'm in love

i know a girl  
who's so in love, mm-mm-mm
