deep in the dark
secrets are unfolding
things i only dreamed of
are happening to me

deep in the dark
messages are reaching me
strange and sweet sensations
are tantalizing me

seeing you in the light of day
i see you in a different way
oh how you shine like the sun
and just like the sun,
you're so far away from my world

but, deep in the dark
mysteries are clearing
love i never thought could be mine
even in a dream

is burning it's way into my being
and living deep in my soul
and deep in my heart
when you're deep in the dark with me

(ah - ah - ah - ah - ah - ah)
(ah - ah - ah - ah - ah - ah)
(ah - ah - ah - ah - ah - ah)
(ah - ah - ah - ah)

seeing you in the light of day
i see you in a different way
oh how you shine like the sun
and just like the sun,
you're so far away from my world

but, deep in the dark
mysteries are clearing
love i never thought could be mine
even in a dream

is burning it's way into my being
and living deep in my soul
and deep in my heart
when you're deep in the dark with me
