When I was a child
I wondered what my life would be
When I lost my way my dreams were always there to
guide me
Was insecure and sometimes had my doubt
When I start to lose my faith a voice inside me shout

I know I can't wait to see my name in lights
No one's gonna stop me you'll see
I will go far
(What's your name?)
Taina
Taina
I've always got dreams of me being the star
You'll be saying my name
I've got love in my heart
I can play any part
I've got game
You'll be saying my name
See my star shining bright
I can reach any higher
What's my name?

No I will never stop
Til my dream's a reality
Even though the road is rough
I wanna live out my fantasy
No I will never stop
Til my dream's a reality
Even though the road is rough
I wanna live out my fantasy

No I can't wait to see my name in lights
No one's gonna stop me you'll see
I will go far
