Lord, i just can't make it tonight  
too many things today just didn't go right  
and i just can't get that glow on  
i just don't think i can go on, tonight

Lord, it's getting too close to 9pm  
and i'm gonna have to do it all again  
and i don't know where it's gonna come from  
if ya got some good news i could use some, tonight

But then i feel the lights in my eyes  
and endless faces looking at me  
and i hear their cries, make us happy tonight  
bring us music, give us light

and i just start singing  
i lift my voice and the love comes tumbling out  
i feel a trembling joy, i feel a joyous shout  
and i keep on singin', i keep on singin'  
the good songs,  
i keep on singin' the good songs

and when it's done i feel so weary  
could a sun feel as tired when it's set  
yet though i'm tired i feel so peaceful  
it's hard but i have no regrets

because i just start singing  
i lift my voice and the love comes tumbling out  
i feel a trembling joy, i feel a joyous shout  
and i keep on singin', i keep on singin'  
the good songs,  
i keep on singin' the good songs

i lift my voice and the love comes tumbling out  
i feel a trembling joy, i feel a joyous shout  
and i keep on singin', i keep on singin'  
the good songs,  
i keep on singin' the good songs
