i'm happier than the morning sun  
and that's the way you said that it would be  
if i should ever bring you inside of my life  
i'm happier than the morning sun  
and that's the way it'll always be  
ever since the day you came inside of my life

all my life i was alone  
didn't think i'd find my part  
now i see there's joy inside your arms  
everyday i searched for the star  
that never was in the sky  
and now i see this star is on the earth

and i'm happier than the morning sun  
and that's the way you said it would be  
if i gave you the chance to come inside my life  
i'm happier than the morning sun  
and that's the way it'll always be  
ever since the day you came inside of my life

Aah, aah, aah, ahh, aah, aah, aah, aah  
aah, aah, aah, aah, aah, aah, aah,  
Aah, aah, aah, ahh, aah, aah, aah, aah  
aah, aah, aah, aah, aah, aah, aah,

and i'm happier than the morning sun  
and that's the way you said that it would be  
if i gave you the chance to come inside my life  
i'm happier than the morning sun  
and that's the way it'll always be  
ever since the day you came inside my of life

mm-mm-mm-mm-mm-mm-mm-mm-mm,  
mm-mm-mm, i love you

and i'm happier than the morning sun
